

Hi,

It is a matter of great satisfaction and pleasure to mention that the following students have completed their course projects with Enverus.

Name	Roll No.
Keshav Janyani	160260005
Ashi Gupta	160020048
Kartik Patekar	160260018

During their tenure, they worked on the below-mentioned project under my supervision.

1. Data scraping from multiple pdf files

- Automated the process of extracting useful information with an average accuracy of ~70%
- Utilized various NLP techniques to extract relevant information such as company names and dates from text data
- Analysed the problems effectively to implement machine learning and rules-based approach as and when required
- Used various python libraries like pytesseract, regex, pandas and numpy

I would like to extend my sincere and heartfelt obligation towards all the personages who worked on the above project. Their sheer will, dedication and hard work, helped them to successfully complete these projects effectively. I hereby certify their overall work satisfactory to the best of my knowledge.

Wishing them the best of luck for their future endeavours.
